Table 3.1	One dimensionless transient heat conduction solutions	30
Table 3.2	Coefficients used in the one-term approximate solution of transient onedimensional heat conduction	32
Table 4.1	Coefficients of correction factor for plane wall	48
Table 4.2	Coefficients of correction factor for long cylinder	50
Table 4.3	Coefficients of correction factor for solid sphere	52
Table 4.4	Coefficients used in the two term approximation solution	60
Table 4.5	Values of Coefficients used in the two term approximation solution for plane wall	61
Table 4.6	Values of coefficients used in the two term approximation solution for long cylinder	61
Table 4.7	Values of Coefficients used in the two term approximation solution for solid sphere	62
