ACKNOWLEDGEMENTS

I want to thank to

My instructions Assist.Prof.Dr.Yalçın AKÇALI and Assist. Prof. Dr.Nadire ÇAVUŞ for their support in completion of my project.

My family for providgn me with financial support while preparing the project and for their psychological support in all parts of life by providing me comfort and the necessary conditions to develop myself and educate in high level.

ABSTRACT

We can provide your in home or office needs. There are products that everyone can make use of. We will soon announce the goods that will be in our stock and paying options too. There are also goods for students and government workers. It is our goal to make our name stable in your opinion.

As Inan Stationary, by this internet site that we provide you, you can find office goods, printer cartridges, toner, printer stripes, folders, pens, pencils, any kind of papers, binders and many products as such. You can also make an order from our site. Proper discount will be made in occasion of making a grouped order.

INTRODUCTION

There are many good sides that internet provides us. Firstly, we can chat with our friends that are far away, and secondly, find news in the world that are happening via internet browsers. Also, we can find anything that we want in minutes, without wasting any time by using the web sites.

Web sites are created for many purposes, such as the human need of curiosity on finding different information.

Our internet site provides their all products on stock for everyone of need. There are links that you can contact us, find information about us, look for the products of our company. We are now working on a link that will provide you the special offers on our main page, that will be opening soon…

EXPLANATION

Min. system Processor : Pentium 4

Processor speed : 933ghz

Processor bus speed : 533mhz

Memory capacity : 1gb

Memory type : ddr2

Operating System : Windows XP

Max. system Processor : Intel atom

Processor speed : 1.66ghz

Processor bus speed : 667mhz

Memory capacity : 2gb

Memory type : ddr2

Operating System : Windows 7

USER MANUEL

User Guidelines

The web site includes Main Page, About Us, Products and Contact links (see Figure 1).

In "About Us" page, there are information about our internet site. Also you can turn back to the main page by using the links provided on the left side.(see Figure 3)
