

HULYA KOLOZALI (RIBA Part II Architect)

NEAR EAST UNIVERSITY – Faculty of Architecture(Architecture Department) / NORTHERN CYPRUS

E-mail: h_kolozali@hotmail.com
hulya.kolozali@neu.edu.tr

PROFESSIONAL TARGETS

Gain career-related experience in both an architectural firm and in academic background. Appraising this chance to further improve current professional experience and develop knowledge base on architectural designs, though developing with the association. Integrating the knowledge gained during personal education with practical work experience, and widened the sustainable development approach within today's and the future world's architects.
