

Curriculum Vitae

KEMAL KASAPOĞLU

Date of Birth : 30th August 1984

Place of Birth : Gazimağusa – Turkish Republic of North Cyprus

Contact Information

Address : Mehmet Gocçino Sokak No:10 Beyarmudu-Gazimağusa TRNC

GSM : (0548) 8645349

E-mail : kem.arch@hotmail.co.uk

Education

Ph.D. (application): Unconditional acceptance for Ph.D.

The University of Manchester School of Architecture (2010)

Cultural Inspirations in Contemporary Green Architecture towards
Eco-Cities and Sustainable Communities.

Master (MArch) : University of Sheffield, School of Architecture, England (2008)

Master of Advanced Architectural Studies, Sustainable Architecture

- Completed Courses

- Advanced Study and Research Methods 1-2
- Climate Sensitive Environmental Design
- Renewable Energy
- Building Environmental Simulation Analysis (ECOTECH)
- Applied Design Project
- Integrated Design Project (group study with town planners and engineers from various disciplines like civil, mechanical, electrical and water for a sustainable village development)
- Advanced Project (Dissertation Thesis): Effect of Double Skin Façade System on the Performance of an Office Building in Nicosia Cyprus.

Undergraduate : Bachelor degree in Architecture (Honour, 3.48)

Eastern Mediterranean University, Faculty of Architecture,
Department of Architecture (Cyprus -2006)

Other

Participated seminars, workshops, competitions and awards:

- International Gazimağusa Symposium 2004: Mediterranean Triology. Workshop: Sea-City Projection. Looking to out from inside. Proposed projects related with walled city of Gazimağusa.
- 1st Istanbul Architecture Festival 2004: Hafif ama ağır mimarlık. Workshop: Open area, Dogville, Architecture, Border, Space, Identity
- World Congress of Architecture 2005, Istanbul
Student Competition: Extreme
- World Congress of Architecture 2008, Turin
- Eastern Mediterranean University Faculty of Architecture
International Design Week 2014
- Honorable Mansion: Administrative office building for the Presidency of Turkish Republic of Northern Cyprus (Competition, Atelier-M Office Project)
- Student Award : Architect Behaeddin Student Awards 2006,
Architecture 3rd Year Award
(Architect Behaeddin Student Awards is nationwide competition of architecture students in North Cyprus hosted by Eastern Mediterranean University)

Professional Work Experience

- Architect: Atelier – M Cyprus, 2006- 2007
- Architect: Private house projects, interior design projects, 2006-2015
- Voluntary design assistantships 2001-2015

Academic Work Experience

- Eastern Mediterranean University Faculty of Architecture 2013-2015
 - Part-time Academic Staff

Courses: FARC101 Basic Design Studio

FARC103 Graphic Communication I

FARC104 Graphic Communication II

FARC 106 Freehand Sketching and Rendering

ARCH291 Architectural Design Studio I

ARCH 213 Ecological Issues in Architecture

- Near East University Faculty of Architecture 2014-2015

- Part-time Academic Staff

Courses: INAR 102 Interior Architecture Introduction to Design

INAR 201 Interior Architecture Design Studio I

Skills

- Microsoft Office Programs
- Autocad
- Photoshop
- 3D Studio Max
- Ecotect (complete building design and environmental analysis tool that covers the full range of simulation and analysis functions required to truly understand how a building design will operate and perform. It finally allows designers to work easily in 3D and apply all the tools necessary for an energy efficient and sustainable future)

Languages : Turkish (Native Language), English (Fluent)

Interests

- Sociological effects of architecture on people as a user.
- Investigation of interaction between architecture as a visual art with other disciplines of art and science.
- Design
- Photography (Photographs for short movies, plays and poster designs for Tiyatro Kalemî (private theatre company)
