

CURRICULUM VITAE

PERSONAL INFORMATION

Surname, Name: SHOKOUHI TABRIZI, Sahar

Date of birth: 22.09.1981

Marital Status: Married

E-mail: sahar.shokouhi@neu.edu.tr

EDUCATION

Undergraduate	Islamic Azad University	Software Engineering	2000 – 2004
Master	Near East Uaniversity	Information Systems Engineering	2012- 2014
Phd.	Near East Uaniversity	Computer Information Systems	Continue...

EXPERIENCE

Year	Place	Enrollment
2014 to date	Near East University CIS department	Full-time Lecturer
2013-2014	Near East University CIS department	Part-time Assistant
2012-2013	Near East University Grand library	Part-time Assistant
2012-2012	SASCO	Full-time Administrative manager,
2006-2012	Farazab Co	Full-time IT manager
2004-2006	Farazab Co	Specialist System Analyser

INTERNATIONAL PUBLICATIONS

- Tabrizi, S.S. & Cavus, N. (under review). Human-Computer Interaction (HCI) solutions for traditional e-learning systems problems. International Journal of Human-Computer Interaction
- Tabrizi, S.S., Cavus, N. (2015). A Study to Determine Students Smartphones Usage Status: A Case Study in Near East University. International Journal of Human, Community & Technology (IJHCT), 1(2),9-17

INTERNATIONAL CONFERENCES

- Tabrizi, S.S., Cavus, N. (2015). “Standards for mobile learning application: HCI”. In Proceedings of 4th International Conference on Educational, 26-28 June, St.Petersburg, Russia.
- Tabrizi, S.S., Cavus, N.(2015). “Human-Computer Interaction (HCI) solutions for traditional e-learning systems problems”. In Proceedings of 4th Cyprus International Conference on Educational Research,19-21 Mar., Kyrenia, Cyprus.
- Cavus, N. ,Tabrizi, S.S. (2014). “Developing Virtual Laboratories in Distant Engineering Education”. In Proceedings of 5th World Conference on Information Technology, 11-14 Dec., Dubai, United Arab Emirates

BOOK

- Cavus, N., Tabrizi, S.S. (2015). Software Standards in Developing Virtual Laboratories for Engineering Education. Koln, Germany: LAP LAMBERT Academic publishing AG & Co. KG. ISBN-10: 3659391212, ISBN-13: 978-3659391217

CERTIFICATION PROGRAMS

05/2011 – 09/2011: Crisis Management

11/2008 – 01/2009: Cisco Certificated Network Engineer (CCNA), Tehran, TARASHE.

09/2006 – 12/2006: Network+, Tehran, TARASHE

08/2006 – 10/2006: ISO9001, Tabriz, SARMAD

08/2006 – 10/2006: ICDL, Tabriz, INFOTEC

COURSES THOUGHT IN THE LAST TWO YEARS

Semester	Course	Weekly load		Number of students
		Theoretical	Practical	
Spring /Fall	Introduction to algorithm and programming	2	2	12
	Data Structure	3	1	8
	Software Engineering	2	2	14
	Animation Techniques	2	2	9
	IT and numeracy Skill	2	2	8
